

The **London Climate Week** will be held during the first week of July to scale up and identify practical solutions to address climate change.

Against this backdrop the **International Centre for Climate Change and Development (ICCCAD)** and the **Royal Geographical Society with IBG (RGS-IBG)**, UK will jointly organise two events to interact with the Bangladeshi diaspora in the United Kingdom to enhance partnerships between the UK and Bangladesh that help to tackle climate change.

Date:
Monday, 01 July, 2019

Time:
3:00pm - 9:00pm

Venue:
Royal Geographical Society (with IBG)
1 Kensington Gore, Kensington
London SW7 2AR

Collaborative research on climate change between the UK and Bangladesh

Time: 3:00-6:00pm

Moderator:
Dr. Saleemul Huq, *Director, ICCCAD*

Chair and welcome note:
Professor Joe Smith, *Director, RGS-IBG*

This event will explore opportunities and avenues for greater research collaboration between the UK and Bangladesh.

** This is an invitation only event*

Learning from Bangladesh on tackling climate change

Time: 6:30-9:00pm (followed by reception)

Speakers (TBC):

- H.E. Saida Muna Tasneem, *Bangladesh High Commissioner to the UK*
- Mr. Saber Hossain Chowdhury, *Bangladesh Member of Parliament*
- Professor Sir David King, *Former Chief Scientific Advisor of the UK Government*

This event will discuss what the Bangladesh diaspora in the UK can do to help to address climate change.
