

# CALL FOR APPLICATIONS

The International Center for Climate Change and Development (ICCCAD) and the Global Resilience Partnership (GRP) will continue the Climate Resilience Academy for South Asia (CRAL 2) with the umbrella theme of 'Loss and Damage'. The aim is to generate knowledge products, evidence and advocacy materials for promoting and strengthening action on tackling the adverse effects on Climate Change induced Loss and Damage.

## REQUIREMENT

- Has to be citizen of SAARC member countries
- Willing and interest in generating knowledge products through collaboration or individually
- Have valid passport to travel and attend in-person workshop

**Application Deadline: 26 July 2022, 12:00 AM GMT**

**Registration Link: <https://cutt.ly/cral2>**
