Job Title: Youth Representative

Job Description: International Centre for Climate Change and Development (ICCCAD) is seeking a Youth Representative to join our CAP-RES (Capacity Strengthening of Multi-Actors to Limit Climate Change Impacts and Enhance Resilience) project team in Dhaka. The ideal candidate from grassroots youth organization and climate change vulnerable areas with a strong background in youth mobilization and a deep understanding of climate change and its impacts on communities.

Responsibilities:

- Provide assistance in preparation and project promoting in grass root/local level youth.
- Engage and form a robust grass root/local level youth network.
- Provide support in necessary logistical arrangements for project event in field level
- Support in arranging sessions related to project pertaining to grass root/local level.
- Support in the application process for the mentorship programme and Youth Fund.
- Maintain the communication with participants and applicants for both mentorship programme and Youth Fund.

Requirements:

- At least 2 years of working experience in youth mobilization with grassroots organization
- English writing and speaking skills will be an advantage
- Ability to work independently and as part of a team
- Bachelor degree from any reputed university in relevant subject

Contract:

- Initial full time (40 hours/week) contract of 1 year, with the possibility of extension based on performance
- Location: Dhaka, with frequent field visits around the country as per program requirement
- Monthly gross salary and other benefits as per organization policy
- Reporting line: Programme Coordinator-Youth

Potential candidates meeting the above requirements are requested to [apply](#) by June 25, 2024. ICCCAD is an equal-opportunity employer and encourages all qualified candidates to apply. Female candidates are strongly encouraged to apply.
